For our future generation, we...

use natural materials

Such as FSC-certified wood, cotton, cork, or wheat straw.

use recycled material

With recycled materials in our products and packaging made of 100% recycled cardboard, we minimize our environmental impact.

pack plastic-free!

We continuously search for alternatives to avoid single-use plastics.

we do not ship air

No unnecessarily large gift boxes, making shipping as CO2-friendly as possible.

have only digital manuals

Easily access your preferred language online!

we print with water based paint

And we use soy ink for the packaging.

come to the office by bike (if possible)

Because we are Dutch, and we love bikes!

Fairs

At BS Toys, we eagerly anticipate the Spielwarenmesse every year, as it offers a sneak peek at the latest trends and developments.

With the insights we gain, we can better anticipate and meet the needs of our end-consumers in the year ahead. It's also the ideal moment to reveal our latest creations and demonstrate how our brand and products stand out in the crowded toy market.

We also take part in other fairs, driven by our commitment to both learn and share. This helps us evolve and strengthen our brand and consistently provide the best to our customers.

Awards and recognition

We are extremely grateful and very proud of the numerous awards and recognition we have received from around the world over the years.
